Introduction of new members.

Reading of April minutes: Minutes accepted.

There was a great turnout for the fishing derby.

Move to approve By-Law amendments.

Karalee to get max amount of liability insurance.

Memberships not worth it / have to go after people for money.

Stratford has a municipality for their watershed.

First reading of amendments to happen at July meeting.

Town of Cornwall action plan timeline.

- Subdivision agreement
- Wish list - We want to work with the engineer
- Signage
- Have part in the plan before it starts
- What are our resources ?
- What is to be expected from us?

Each subdivision needs a stormwater management plan

- Engineer does up plan and hands over to the town. (Is this expected to be manicured)
- Town wants to naturalize but will have push back from residents.
- 1-3 year trial bases partnership (following our mandate to maintain it)
- Get new staff
- Lot of variability on our end

Town staff - watershed does consulting role. Consulting rather than managing partnership.

We want 1.5% of Parks and Recreation budget

CAWG administration records - server storage.

- Digitize records to get rid of paper copies and store in Icloud.

Go over 2019 draft budget

- Waiting to see if funding comes through.

Treasury

Tamsyn motions debit card and signing authority be signed over to Fenny.

Ryan seconds. All are in favour.
